About Us

Classeq SA is a sister company of Winterhalter, world wide market leader in warewashing manufacturer.

Winterhalter SA (Pty) Ltd is a wholly owned subsidiary of Winterhalter GmbH and comprises Winterhalter SA and Classeq SA.

Winterhalter SA was established in 2009, to support our customers and distribution chain at a local level. And is the only specialist ware wash manufacturer directly represented within the Sub-Sahara region.

Classeq SA offers competitively priced, UK manufactured machines, locally based and thus ensuring the best possible levels of support. We are found extensively, in a diverse array of establishments, from staff and franchise restaurants to hotels, prisons and hospitals.

We also have a complimentary range of chemicals, ancillary and accessory products.

At your service

Benefits of manufactures service cover:

- PRIORITY service (within 24 hours when call is placed, conditions apply)
- 90 day warranty on replacement parts
- All parts used are OEM replacement parts
- Extended equipment life
- Maintain efficiency
- All equipment serviced and maintained to a high standard reduces costly breakdowns
